# What do you know about Medicare?

## Original Medicare

Original Medicare consists of Part A and Part B. Original Medicare covers only about 80 percent of your medical expenses and doesn't include prescription drug coverage.

### Part A is hospital coverage.

Part A helps cover inpatient hospital care, critical access hospitals, and skilled nursing facilities.

### Part B is medical coverage.

Part B helps cover medical services like doctors' services and outpatient care.

## The other parts of Medicare

### Part C is also known as Medicare Advantage.

Part C is provided by Medicare Advantage plans like Capital Blue Cross and includes all of Part A and Part B, as well as extra benefits like dental, vision, and hearing.

### Part D is prescription drug coverage.

Part D is designed to help lower your prescription drug costs. Part D is available in standalone plans or may be included with a Medicare Advantage plan.

# Medicare Advantage plans for every budget

## How does a Medicare Advantage plan work?

Also known as Medicare Part C, Medicare Advantage plans offered through private insurers like Capital Blue Cross provide members with Medicare Part A and Part B coverage, plus extra benefits that Original Medicare does not provide.

Unlike Original Medicare, Capital Blue Cross Medicare Advantage is a comprehensive plan that covers hospital, medical, and prescription drug expenses. It's an easy-to-use plan that gives you all your coverage in one place.

## How do HMO and PPO plans differ?

With a Health Maintenance Organization (HMO) plan, your Primary Care Physician (PCP) acts as a gatekeeper and advocate for your care. You don't need referrals, but you must use providers that participate in the plan's provider network.

With a Preferred Provider Organization (PPO) plan, you have the freedom to see the doctors you choose, also without the need for referrals. Plus, you have access to one of the largest networks of hospitals, physicians, and medical professionals in central Pennsylvania and the Lehigh Valley – with a national network that has you covered when you're away from home.

## Who is eligible?

1. You must have both Medicare Part A and Part B.
2. You must be a permanent resident of one of the following counties: Adams, Berks, Centre, Columbia, Cumberland, Dauphin, Franklin, Fulton, Juniata, Lancaster, Lebanon, Lehigh, Mifflin, Montour, Northampton, Northumberland, Perry, Schuylkill, Snyder, Union, or York.
3. Not all plans are available in all counties. The plans listed below are available in Centre, Dauphin, Juniata, Mifflin, and Perry counties.

## Choose from a broad range of Medicare Advantage plans with prescription drug coverage:

- Capital Blue Cross Value (PPO).
- Capital Blue Cross Select (PPO).
- Capital Blue Cross Enhanced (PPO).
